Hi Marion,

Ex. 5 Deliberative Process (DP)

Having said that, I will confirm with EFED/HED.

Hi Marion,

Thanks for bringing that to my attention. I had not carefully read the header as I focused on the numbers in the table.

I will send Will a note asking what the "Section 18" in the header refers to.

Thanks,
Debra

Importance: High

Debra –

In the first chart attached (actually all of the charts), **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Is that correct? Also, not sure why “Section 18” is mentioned in the title; perhaps, a carryover from a previous chart. Any quick thoughts?

Hi Debra and Marion,

I have completed the runs we discussed yesterday and have included the results table in the attachment. Please let me know if this covers what you were expecting. Thanks,

Will
